## PROFESSIONAL SUMMARY

Marketing professional with 5+ years of experience in digital marketing, campaign management, content strategy, and brand promotion. Proven track record in developing and executing marketing initiatives that drive brand visibility, lead generation, and customer engagement across multiple channels — both digital and offline.

Strong background in marketing strategy, promotional campaign execution, market research, and performance analysis across B2B and B2C sectors. Prior experience leading teams and coordinating cross-functional projects with demonstrated ability to manage end-to-end marketing campaigns from planning to reporting. Currently seeking to apply strategic marketing and promotional expertise in the property development sector.

## WORK EXPERIENCE

### Mar 2026 – Present | YCP Group | Digital Marketing & Promotion Specialist

- Plan and execute digital marketing and promotional campaigns to strengthen brand visibility across search engines, AI platforms, and digital channels
- Develop content strategies and promotional materials aligned with brand messaging and target audience needs
- Coordinate with content, design, and marketing teams to ensure campaign alignment across channels
- Monitor campaign performance and produce data-driven reports with actionable recommendations

### Aug 2023 – Mar 2026 | DAILYSEO ID | Marketing & Promotion Consultant

- Managed marketing and promotional strategies for clients across B2B consulting, e-commerce, and government sectors
- Conducted market research and audience analysis to identify promotional opportunities and campaign angles
- Developed and executed content marketing campaigns that improved brand visibility and audience engagement
- Produced monthly performance reports with campaign insights and strategic recommendations

### Jan 2021 – May 2023 | YCP Solidiance | Marketing & Content Specialist

- Designed and implemented marketing and content strategies to increase brand visibility and audience reach
- Managed content calendars and promotional workflows from planning through publication
- Conducted market analysis and campaign audits to identify growth and optimization opportunities
- Collaborated with design and communications teams to produce marketing collateral

### Mar 2020 – Dec 2021 | BPOM RI (Indonesian FDA) | Marketing Communications Support – Web

- Developed and managed web-based information platforms used for public communication and outreach
- Coordinated with internal teams and external vendors to ensure timely delivery of promotional content
- Supported the development of digital communication materials for public awareness campaigns

## EDUCATION

### 2022 – 2024 | Universitas Muhammadiyah Surakarta | Master in Informatics (GPA 3.85)
